

Learn English and study abroad at Arizona State University

Language learning is more than reading, writing, listening and speaking. At Global Launch, you will communicate in social and academic settings, learn American cultural customs, write academic papers, and give university-level presentations. When you complete our program, you will enter the American university or workforce with the confidence you need to stand out and succeed in any English-language setting.

English Language Immersion program

At Global Launch, you can choose to learn on-campus or online and still receive the same engaging and innovative experience Global Launch is known for.

“ I feel that if I hadn't come to Global Launch I would not have had the success I had when I entered ASU, and my English would not be at the level it is now. ”

- Juan Javier, Ecuador

Study in a program with a global reputation

Global Launch's rigorous curriculum is taught by highly qualified master's and phd-level educators. With more than 45 years of experience, Global Launch is one of the best known and most effective programs in the U.S. and has served more than 100,000 students.

Online English for any level

Global Launch offers online, self-paced English language courses that allow learners to study on their own schedule at a lower cost. Learners can choose from many online courses, ranging from conversational English for beginners to English for advanced learners seeking ASU undergraduate or graduate admission.
