Global Launch at ASU offers an online alternative to standardized testing for international students seeking admission to ASU but who need proof of English proficiency. With the help of Global Launch's online English courses, you will learn what it takes to succeed in the American university classroom, practice your academic English and fulfill your language deficiency for graduate admission to the #1 most innovative university in the U.S.

**English for Graduate Admission course details**

Global Launch's 8-week English for Graduate Admission course offers more than just language training. You will gain confidence to communicate in English, improve academic writing and learn from anywhere in the world. Completion of the course fulfills your English language proficiency requirement for full admission into your intended graduate degree program at ASU.

**Why Global Launch?**

Standardized tests like the TOEFL, IELTS and PTE only measure English proficiency. However, for you to successfully meet the academic demands of a top research university, you will need to understand and apply concepts such as critical thinking, research methodology, sourcing and citing.

**Admission requirements**

Success in the English for graduate Admission online course requires at least a high-intermediate understanding of the English language. Interested applicants are encouraged to take Global Launch's free online placement test to determine their level of English proficiency before enrolling in the course.

**Did you know?**

Students who graduate from Global Launch earn a higher GPA in their university classes than other first-time ASU international students.
