

Continuing Student Registration (CSR)

Step 1

Log in to your My GL account mygl.asu.edu

Step 2

What are you doing next session?

- I want to continue studying at Global Launch and register for 2019 Spring B classes.
- I want to transfer to ASU.
- I want to transfer to another school in the United States.
- I want to end my coursework and return home.

Next Step

Step 3

Registration Agreement

By checking the box below, I agree to the following: I confirm that I will attend Global Launch for the next session. I may cancel my registration without penalty by contacting the Global Launch office until the 5th day of class of the next session. If I do not contact Global Launch to cancel this registration by the deadline, I will be enrolled in the next session and will be responsible to pay for all tuition and fees. Click [here](#) to review important continuing registration information and deadlines.

I agree to the above terms.

Step 5

Core Classes

My Visa type is F-1 Student Visa

I must study for 21 hours in 2019 Summer

My current Level is Advanced 1

My core classes for 2019 Summer have been selected for me and are shown below:

Name	Description	Hours
Listening and Speaking		9.0
Reading and Writing		9.0

Previous Step

Next Step

You can only choose a specialization class if you are in an Advanced Level (A1 or A2)

Otherwise, you will take communication for 3 hours.

Step 6

Select My Specialization at My Advanced 1 Level

In order to advance to the next level, select at least one specialization.

Name	Description	Hours
<input type="checkbox"/> A1 Humanities: American History	A1 Humanities: American History gives an overview of American history and its impact on contemporary society. Read, write, listen, and speak about topics such as the U.S. constitution, the Civil War, and immigration.	3.0
<input checked="" type="checkbox"/> A1 Business: Management	A1 Business: Management furthers English study with advanced concepts and vocabulary related to the financial world including banking, venture capital, the stock market and accounting by using opportunities to speak, read, write, and listen.	3.0
<input type="checkbox"/> A1 Engineering	A1 Engineering builds academic vocabulary for math and science by exploring simple and complex machines. Opportunities to speak, read, write, and listen using new vocabulary and concepts prepare students for doing research.	3.0
<input type="checkbox"/> A1 International Business: Intro	A1 International Business is an introduction to topics related to international business including international marketing and networking with opportunities to speak, read, write, and listen.	3.0

Hours I Can Study: 21
Core Hours Selected: 18.0
Minimum Specialization Hours Required: 0
Advanced 1 Specialization Hours Selected: 3
Hours Remaining: 0

Previous Step

Next Step

Choose the current level specialization in case you must repeat.

Step 7

Select My Specialization at My Advanced 1 Level

In order to advance to the next level, select at least one specialization.
