

Improve your English at Arizona State University

At Global Launch, we believe that language learning goes beyond reading, writing, listening and speaking. In our program, you will communicate in social and academic settings, learn American cultural customs, write academic papers, and give university-level presentations. When you complete Global Launch, you will enter the American university or workforce with the tools and confidence you need to stand out and succeed in any English-language setting.

English Language Immersion program

The world is always changing, but international learners in any situation deserve an equal opportunity to receive a high-quality English language education from a world-renowned American university. At Global Launch, you can choose to learn on-campus or online and still receive the same engaging and innovative experience Global Launch is known for.
