Did you know?

Students who graduate from Global Launch earn a higher GPA in their university classes than other first-time ASU international students.

Why Global Launch?

Standardized tests like the TOEFL, IELTS and PTE only measure English proficiency. However, for you to successfully meet the academic demands of a top research university, you will need to understand and apply concepts such as critical thinking, research methodology, sourcing and citing.

Admission requirements

Success in the **English for Undergraduate Admission** online course requires at least a high-intermediate understanding of the English language. Interested applicants are encouraged to take Global Launch's free online placement test to determine their level of English proficiency before enrolling in the course.
