## Global Management

### Your pathway to the future

The Global Launch ASU-USA Pathways program is designed for university-bound international students who want to begin their undergraduate degree program right away, but need to first improve their English language proficiency scores for ASU admission. ASU-USA Pathways combines academic coursework with face-to-face English language and university preparation so you can earn university credits right away and strengthen your language and academic skills for full degree study at ASU's Thunderbird School of Global Management.

### Why choose ASU-USA Pathways?

#### Earn your ASU degree on time

You will begin your first-year, degree-seeking coursework on day one, which will keep you track to complete your degree in 4 years. When you successfully complete\* the ASU-USA Pathways program, you will transition into your sophomore\*\* (second year) at ASU.

#### Excel at the university level

Global Launch has helped more than 100,000 learners improve their English since 1974. In fact, students who attend Global Launch earn a higher GPA in their university classes than other first-time ASU international students.

#### Learn at your own pace

The ASU-USA Pathways program is offered in 1 or 3-terms, which will give you maximum flexibility to progress to ASU undergraduate degree study as soon as you're ready †, or extend your time with Global Launch for additional support.

#### Ease into American college life

Surround yourself in the English language and American culture, take courses with other ASU students and enjoy access to on-campus housing, dining, activities and Sun Devil perks.

**Degree tracks** | After you successfully complete the ASU-USA Pathways Program, you will progress into degree study within the following undergraduate programs:
